A despatch from Epinal, dated last evening, reports sharp fighting yesterday between Raod L'Etape and Breieres in the department of the Vosges.

The Prussian force consisted of about 9,000 men, the French force was not so large, and had much less artillery than the Germans. The fighting lasted all day and when night put an end to the conflict, the event was undecided. The French retained their position which the Germans had attempted to carry a number of
