CONTROL XIVE ON THE PARTY OF

the Revenue officials of our county be on meeting, and be ready to report

JUST WHAT WAS NEEDED .- More showers of rain have fell in this vicinity the past week. On Sunday we were visit-

Convention of Young Men's Chris-TIAN Association.—The second annual Convention of the young men's christian Wednesday, Sept. 18, commencing at 9 o'clock a. m.

"A Good 'UN!"—A friend of ours, the people from this section were out, we See B. Brandroth is in white letters on the Go from Olean tells "a good one" about a conjudge, proving conclusively that the stale ernment stamp.

collect jackanapes who "draws his vital jokes of the clown are still relished by the breath" not a thousand miles from this vil- public, while acrobatic feats and contorlage. It is "too good to keep nod we tions are still gazed at with wonder. shall not be able to resist the temptation of "telling on't" some day.

Accident at Thater & Noves' Criscus.-While Messrs. Hogle and Keefe, members of Thayer & Noves' troupe, were performing on the flying trapeze, at the exhibition in this village, on Tuesday after- The game was played on the Star grounds, noon, one of the straps holding the swing and was witnessed by quite a large number gave way procipitating the two performers of spectators. The Stars showed excellent to the ground. They escaped, however, skill, and led in the game until the ninth with only slight bruises.

GOOD COMPARISON.—A cotemporary says advertising is to the trade what ploughing is to the farmer. There would be some natural production if the soil of the earth was never broken, and it would hold about the same relation to the production of a well cultivated garden, that the profits of an unadvertised trade do to the adverti-

Crownen.-We are crowded with advertisements nowdays. Our patrons, however, will read them all, in order to find the same clubs tomorrow (Saturday) afterout who of our merchants and business men are doing a thriving trade. Old fogles, who lay in wait to sell only at exhorbitant | cent Club, held at their rooms on Saturday prices, never advertise. Therefore, if you evening last, J. W. Rowley, Esq., was want to get good bargains, buy only of elected President, in the place of E. Hunt, those who keep their business before the Esq., resigned. public throug the local paper.

For Gry Chewers - Gum chewers -a by no means small class of juvenileshave, it is said, been much disgusted lately

will find at J. H. Terry's, Olean, balls, bats, belts, score books; score sheets, caps, shoes, and in fact everything necessary to of these kinds of goods one of his specialities-furnishingahem as cheap as they can be purchased in the city.

RAILROAD CO. Their First Mortgage Bonds

The rapid progress of the Union Pacific Enlanged now building west from Onabe. Webrasks, and forming, with its western connections, an unbroken line across the continent, attracts attention to the value of the First Martgage Blonds, which the Corn. value of the Franchise Bonds Malekille Company now offer to the public. The first quantity aked by prudent investors is "Are these bonds secured!" Next, "Are they as profitable investment?? To reply in brief?

1st. The serly completion of the whole great him to the Facility is an certain as any finite business.

to the Pacific is as certain as any fitting bristices, event can be. The Government grant of over twenty fillion acros of land and fifty million delians in its own bonds practically guarantees its. One towers of the work is already done, and the track continues as be failf at the rate of two miles a day.

At The Union Pacific Mailians, bonds, are issued uson what promises to be one of the mean predicate lines of railroad in the country. For many there is must be the only like connecting the Atlanta and Pacific; and being without competition, it can make tain remunerative rate.

equipped with depots locomotives care, see, and two trains are daily running each way. The materials for the remaining 98 miles to the seastern base of the Rocky Momitains are on hand, and it is switer continue to be done in September.

4th: The act, explings of the Sections along, fig. oth. The Union Pacific Railroad begins can be is: sued only as the road progresses, and therefore can, never be in the market indeed they represent a beau.

oth Their amountly strictly limited by law to a sum equal to what is granted by the U.S. Cloversment, and for which it takes a second line as its ascurity: This smount upon the first bir miles west,
from Omain is only \$10,000 per mile;

The The fact that the U.S. Government considerasecond lien upon the road a good investment; and
that some of the shrewdest, rallpad builders of the

country, have already paid in five intillion deliars up-on the stock (which is to them a third lien) mays well inspire confidence in a first lien. Sth. Although it is not claimed that there can be any better securities than Governments, there are parties who consider a first mortgage upon such property as the very best security in the world, and when sell their Governments to re-invest in these pends. Thus securing a greater interest, the Union Profile Relieved bonds are of fered for the present at 90 cents on the delia and apertued interest, they are the cheapest security in the market, being more than 15 per cents less than Lagranger.
