MESSES. S. W. Fowle & Bon, Boston.

Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsom of Wild Cherry—it alfords me pleasure to recommend it to the public. Some eight years ago, one of my daughters seemed to be in a decline, and little hopes of 1er recovery were enteriated. I then procured a bottle of your excellent Balsam, and before she had taken the whole of it here was a great improvement in ber health. I have, in my individual case, made frequent use of your valuable modicine, and have alwaes been benefited by it. I would, however, caution the public against imposition because there is a good deal of spurious Wistar's Balsam of Wild Cherry affort throughout the country. JACOB SECHLER.
