in the river above Minneapolis.

We clip the following items from A U C T I O N !

DIPLOMA .- O. N. Elkins of North Troy received a diploma at the State Fair, on the Manuel patent stump extractor, stone lifter and wall layer.

FREIGHT .- During the first ten days of the present month there passed through Island Pond, over the Grand Trunk railroad, 48, 600 barrels of flour and 59,800 bushels of

GOOD COLT .- D. P. Willey of Derby has a colt which weighed 800 lbs. the day it was fourteen months old. It is coal black, a fine built and very handsome animal. We wonder it was not exhibited at the fair last week.

REPAIRS.—The Kimball Bros. at Derby Center have been repairing their tannery, and have put in steam power. The engine used is the one so mysteriously spirited away from the lime works in this village two years ago.

STOLEN. - Mr. Amos Curtis of Stanstead lost \$6000 in U. S. bonds about a week ago, stolen by a cousin named Daniel Curtis. Dan made for the States and was seen at Lyndon the relative.

STOLEN .- A young man named Leurbee stole a team from Capt. A. H. Beattie at North Stratford, N. H. on the 14th, went to Stark where his friends lived, thence to Guildhall Falls, Vt., where he was arrested by Sheriff Shoff and committed to jail.

Morgan.-The village at the 4 Corners is looking up and its business prospects brightening. The in habitants are repairing and repainting their buildings and brushing up their premises. S. Bigelow has built a picture gallery, and will soon commence his old business of picture making .-He has also purchased a building lot, cheap as any man in Orleans County. Rememand is preparing to erect a dwelling berthis and give him a call. house next spring.

THIEVING.—Some rascals entered the barn of Alfred Randall in this village last Saturday night, and stole some very nice corn and squashes which Jonathan Randall, 89 years old, had taken great pride in cultivating. The garden of S. M. Field was also robbed of nice melous the same night. We would advise our people to look out for clothes and movable property general, for this is the season when thieves thrive best.

Prolific Crabs.—Mr. Elder, agent beautiful specimen of crab apples, a cluster containing fifteen perfect apples. This cluster came from a tree the second year after sticking out. All things being in readiness the vis- have organized a lyceum, to be held cold, wet weather the summer travel Duffee, Esq., Barnston, P. Q. Mr. and is from the orchard of Jas.
