people thereof

The National Union Convention, now At half-past 12 o'clock Tuesday, Postassembled in the City of Philadelphia, master-General Randall called Ilid. Concomposed of delegates from every State vention to order, and theatrically proolaimed that the delegates of South Carolina and Territory in the Union, admonished and Massadiusatts would enter arm in avm. by the solemn lessons which, for the last John A: Dix was chosen teniporary Chair five years, it has pleased the Suprema man. In his speech he dwelt upon the Ruler of the Universe to give to the key note of the Convention, the fact American people, profoundly grateful for that the rebel States, were not represented the return of peace, desirous, as a large in Congress. He said 'the President, not majority of their countrymen, in all sinin pursuance of any constitutional power, cerity, to forget and forgive the past, rehad called on the Confederate States to vering the Constitution as it comes to us accept conditions for their admission to from our ancesters, regarding the Union, the exercise of their legitimate functions in its restoration, as more sacred than ever, looking with deep anxiety into the as members of the Union.' Those offered future as of instant and continuing trial, were accepted, and to ask others is 'a viohere issues and proclaims the following lation of the faith of the Government, declaration of principles and purposes on subversive of the purpose of our political. which they have with perfect unanimity system and dangerous to the public prosagreed :

perity and peace. Congress cannot act unitedly in rejecting a whole delegation, mighty God the end of war and the return but each of its houses may pass upon its of peace to an afflicted and beloved land. own individual members. Congress has wrongly proposed other conditions, which tuined the authority of the Constitution whould not be accepted. The rebel with all the powers which it conters, and States had a right to representation under all the restrictions which it imposes upon the Constitution ?' they had the right unthe General Government unabridged and der the resolutions of 1861. When the President declared that armed resistance unaltered, and it has preserved the Union had ceased they had this right. This right with the equal rights, dignity and authority of the States perfect and unimpaired. had been violated, and to redress the wrong-was the object of the Convention, to which he hoped it would confine itself. of the United States and in the Electoral The first aim should be to change the rep- Collego is a right recognized by the Conresentation in Congress-to go into the several districts and get the control of one a duty imposed upon its people, fundamenor both Houses. He closed by magnity- tal in its nature and essential to the exercise of our Republican institutions, and ing the object in view-the complete and harmonious restoration of the Union.

Johnson's present bosom triend, moved this' right to any, or withhold its enjoythe reading of the suplementary eircular ment under the Constitution from the issued by Messra Randall, Campbell and Blair, inviting the co-operation of Democrats as such ; as he thought it might remove misapprehensions as to the character of the delegations. This being done, the convention adjourned to Wednesday.

dent and one Secretary from each State election returns and qualifications of its and Territory and the District of Colum- own members. bia. The mass of these are unknown Republican, as a Vice President, and E. O. Perrin, a prominent Know-Nothing the contrary notwithstanding. All the powers not conferred by the Constitution and copperliead, as a Secretary. Mr. Dooupon-the General Government now prohiblittle delivered a gratulatory harangue, ned by it to the States are reserved to the dwelling - upon the touching scene of the States or the people thereof, and among previous day, when the South Carolina and Massachusetts delegations walked in with the rights thus reserved to the States is lioked arms. He thought if the whole the right to prescribe qualifications for the country could have seen that, dit would elective franchise therein, which right ment, but referred to the speech of Gen. through their action in Congress or other-Dir as one the could indorse, word for wise, any State or States from the Union.

FORD OXFORD, WEDNESDAY, AUG. 22, 1866.

UNION STATE CONVENTION.

At a meeting of the Union State Committee, held at Sarato

At a meeting of the UBDD state following Resolution was used in Springs, August 3, 1800, the following Resolution was used imously adopted: Resolved, That a Union State Convention be held at Syra resolved, That a Union State Convention be held at Syra o'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, d'clock, noor, for the numination of candidates for Governor, that all Union Electors of the State of New York, who desire that all Union Electors of the State of New York, who desire that all Union Electors of the State of New York, who desire iton and the complete suppression of the Causes of the late itor bolegates to represent them in such Convention ; such three Delegates to be chosen at Governions called by the respeo-lected to a second District regaristions, two Union Assembly District regaristions, [Syned by the Committee.]

UNION DISTRICT CONVENTION. UNION DIDIATON UON VINTION; The Union Electors of the Jate Second Assembly, listrict of the Opunty of Chenange, are requested to send three Dele-gates from each town to a listrict Ouveration to be held at the Chenange House in Greene, on Naturaloy, Sept. 1, 1860, at 1 o'clock, P. M., lo choose three Delegates in the Union State Convention of Sept. 5, and five Delegates in the Union State Destruct in the Cong essional Convention, to be hereafter cal-led. Dated Aug. 15, 1860.

led.	Dated Aug. 10, 1600.	H. BRARISLYY, 8. S. STAFFORD,
	ø	F. B. FISHER, District Committee,

The Philadelphia Convention.

This gathering, heralded with such Third : Representation in the Congress the vexed questions which have agitated Rogers of New Jersey, who opposed the wisdom by the horrors that held sway in stitution as abiding in every State, and as power to initiate a movement which would reach the very springs of popular action, by the President. neither Congress nor the General Govern-Tom Florence, Buchanan's former, and ment has any authority or power to deny and precipitate a moral and political revolution, has met and adjourned. The po-

litical seers who looked forward to it with such eager hopes, who promised them-Fourth : We call upon the people of the selves and the country such mighty achieve.
