Professional Thioves—Shall they be Tolorated. In our large cities there is a class fossional pickpookets, usually well dressed and fusinuating in manners. They are, comparatively speaking, a harmless class of thieves. They do not assault or frjure your person, or touch your real estate, they only rollovo you of your pocket book, and of whatever change it happens to contain. more dangerous, who make their way through people. The State expects every patriotic bolts and bars. But there is another class of citizen to do his duty. thioves more dangerous then either of these -a class whom no vigilance on the part of

or bars can resist. They extract money from the pockets of the farmer, the mechanic than last year, as the yield per acre has been ness or when quietly at home by their firesides. These charges should not be made against any class of men unless they can be sustained beyond the shadow of doubt. We copied not many days since from the Albany Evening Journal, proceedings of the CANAL BOARD, in session on the 6th of this month, showing that a certain Contractor named JAMES A. WILSON, late repairing contractor on section one of the Champlain Canal, in giving up his contract, presented a schodulo of "traps" on hand which amounted to \$22,602.62 which was referred to a committee composed of the Comptroller Tronsurer, and Commissioner Chapman, which reported in favor of allowing \$22,

When Mr. Wilson entered upon the performance of his contract, September 15 1869, the amount of tools, &c., on hand and delivered to Wilson by the State, amounted bly District of Miagara County, are requested to and to \$6,590.15. The Canal Board now hurs Three Delegator from each lown in said District, THEM DACK, WITH SUCH OTHER TRAPS AS COULD HE SORACED TOGSTHER, FOR 22,000.621 The Buffalo Courier, one of the ablest of

the Democratic journals, attempts a reply to this fact as published by the Albany Evenlug Journal. The Courier only proves, as will be seen, that the fraud in question admits of ber, and transacting such other business as may no defence. Now here is robbery virtually admitted-robbery which abstracts money from the pecket of every tax payer and from overy working man in the State, and there Is but one way to reach the robber, and that is through the ballot-box. Your bolts and bars furnish no protection against frauds where he is sustained by State authority, and the First Assembly District Convention, to be held the attempt only shows that the act is inde-
