
BASE BALL.—A game of base ball will be played on Friday afternoon by the Atlantic and Pythian clubs of this city, on the grounds of the two clubs on Fourteenth, between O and P streets.

On Saturday next the Union Base Ball and American Cricket club will play a match at the the national game for the usual trophy, a ball, on the grounds of the former. This will doubtless be a very closely contested affair, although the Unions are expected to remain "masters of the situation," as their opponents are unacquainted with the points of the game. However the public will have an opportunity of witnessing a grand display of batting and fielding, and as ample accommodations have been made for visitors it is expected the audience will be large.
